The Miracle Paint MDC-2-P-EXP Challenger floor model Explosion Proof mixer allows you to mix two containers simultaneously in a Class I, Group D environment. The single axis rocking motion provides a thorough and efficient mix at the most economical price.

A great variety of container shapes and sizes fit safely and securely into this floor mounted mixer. The dual arm, front loading MDC-2-P-EXP Challenger, vertically clamps pints, quarts, and gallons without using adaptors. If you prefer horizontal clamping, our optional side clamp is the solution.

The Explosion Proof unit must be installed by a certified electrician in compliance with the hazardous environment the mixing is taking place in.

All Miracle Paint shakers are quality built, and will deliver years of dependable service. A full one year parts and labor warranty comes standard.
