Dimensions				
Width 17"	Depth 10.5"	Height 43.5"	Weight 128 Lb.	Notes: Certified Electrician must install

The Miracle Paint DC-1-P-EXP Sport floor model Explosion Proof mixer allows you to mix one container at a time in a Class I, Group D environment, (to mix two containers simultaneously, see the Challenger models). The single axis rocking motion provides a thorough and efficient mix at the most economical price.

A great variety of container shapes and sizes fit safely and securely into this floor mounted mixer. The single arm, front loading DC-1-P-EXP Sport, vertically clamps pints, quarts, and gallons without using adaptors.

The Explosion Proof unit must be installed by a certified electrician in compliance with the hazardous environment the mixing is taking place in.

All Miracle Paint shakers are quality built, and will deliver years of dependable service. A full one year parts and labor warranty comes standard.
